

What are We Known For?

Acts 2:41-47

Every church becomes known by the commitments that they embrace, the attitudes they possess and the impact they make!

Commitments we must continually renew:

- 1. A commitment to know and obey Biblical truth*
- 2. A commitment to know and love each other*
- 3. A commitment to know and identify with Christ*
- 4. A commitment to know and commune with God*

Attitudes we must constantly embrace:

- 1. An attitude of Reverence and Awe*
- 2. An attitude of Expectancy and Anticipation*
- 3. An attitude of Love and Devotion*
- 4. An attitude of Unselfishness and Generosity*

The Impact we must seek to accomplish:

The early Church enjoyed 4 levels of Impact:

- 1. Personal Impact: Their physical needs were met
Their relational needs were met
Their spiritual needs were met*
- 2. Corporate Impact: There was great unity
There was sincere worship
There was genuine fellowship*
- 3. Community Impact: They had favor with all the people*
- 4. Kingdom Impact: Souls were added to the church daily*
