

Scattering Seeds

Acts 8:1-8

God is determined to grow His Church and the means by which God grows the church should not be a surprise to us.

A look into Acts 8 shows us the components of church growth that are used by God to accomplish His plan and His purpose:

Component #1: Great Commission

Component #2: Great Persecution

Component #3: Great Scattering

Component #4: Great Preaching

Component #5: Great Response

Component #6: Great Joy

Component #7: Great Responsibility

In response we must:

1st – Be Obedient

2nd – Be Faithful

3rd – Be Prepared

Scattering Seeds

Acts 8:1-8

God is determined to grow His Church and the means by which God grows the church should not be a surprise to us.

A look into Acts 8 shows us the components of church growth that are used by God to accomplish His plan and His purpose:

Component #1: Great _____
