Announcements for Easter Sunday, April 12, 2020

All services and activities of the church will continue to be cancelled until Friday, May 1.

View or listen to weekly messages via the internet, CD or DVD. If you would like a CD or DVD of the weekly message, please contact the church office.

Easter Weekend Details:

In addition to the Good Friday and Easter Sunday service videos from the church, we would like to point you to two other opportunities to be blessed and encouraged this weekend:

- Chosen People Ministries has a virtual Passover experience titled "Messiah in the Passover" which is available online at chosenpeople.com/site/messiah-in-the-passover-for-churches/. This was scheduled to be taught by Israel Cohen from Chosen People Ministries on Palm Sunday, but had to be cancelled. This is a way for us to still be able to see this Jewish tradition and how Jesus the Messiah can be seen through the Passover celebration.
- Sight and Sound's production of *Jesus* will be available to view online from April 10 – 12. This is a FREE opportunity that can be found at jesusevent.com

Prayer Sheets and Missionary Praise and Prayer Calendars

Will continue to be included in our weekly emails. However, we can mail these to you if requested. Please contact the office if you would like to receive these by mail.

Giving Information

We encourage you to continue to be faithful as you are able in order that our missionaries maintain their support and church ministry expenses are kept current. If you or someone you know is in financial or physical need, please contact one of the pastors, elders or deacons. These needs will be met through our **Care and Share Fund**.

You can continue to give in the following ways:

1. Online giving at www.lvbiblechurch.org
2. Mail your offering to the church - 1482 Horseshoe Pike Lebanon, PA 17042
3. Drop it off during regular office hours – (please call ahead) - (717) 867-4403

If you desire to give toward the Care and Share Fund, please indicate when you give.
